Mr. Adam Aronson
801 S. Skinker Blvd #16B
St Louis MO 63105

Dear Adam;

Your congratulations and extravagant comments on our Brookings Award are most appreciated by both of us. When it comes from one who has created and sustained Laumeier and other wonderful public projects it is even more meaningful because you know how much pleasure and satisfaction it is to help others enjoy the exciting things in life

We travel everywhere to see how others live in order to get ideas and to enjoy the marvels of the world.

Thank you for writing us. Upward and Onward.
